

Benefits as a member of the Malone Chamber of Commerce!

Mission Statement:

The Malone Chamber of Commerce is a membership based organization that promotes and advances the commercial, recreational, civic and cultural interests of the North Country.

- **Website Listing**

All members are listed on our website. This is FREE advertising for your company. We recommend our members first when tourists are looking for a specific request for a business.

- **Calendar of Events**

Members may list their events on our website. Send us the information and we will post it.

- **Training Opportunities**

We offer a balance of free business training seminars to our members such as social media, financial and human resources.

- **Networking:**

Increase your customer base and spread the word about your business and services by meeting other business representatives. We host monthly meetings and an annual meeting.

- **Health Insurance**

There are a variety of options from which to choose. The trained Health Insurance staff at our Plattsburgh partner organization can help you find the right plan for you. Call 518-563-1000.

- **Commerce Card Discounts**

You and your employees may take advantage of these savings. Chamber members offer discounts to purchase items in their stores. If you are a chamber member and would like to offer a discount through this program, please call 518-563-1000.

- **Electricity Discount**

NYSEG and National Grid customers receive a discount on their electricity through the Chamber's Energy Alliance Program. Call 518-563-1000 for further information.

Please consider joining us with other local and regional organizations to continue to develop economic and cultural opportunities in our community.
